

# Enterprise Portal Subcommittee

- Is Broadly charged by the CIO to facilitate the next phase of the portal's e-service orientation.
- Its first meeting will be held in August.
- Tentative agenda:
  - Collectively generate short, mid-range & long term goals.
  - Develop a working structure.

# Enterprise Portal Subcommittee

- Representatives will be invited from Departments that maintain their own WebPages (business leaders to be cc'ed):
  - County Attorney
  - Clerk of the Court
  - Environmental Services
  - Human Resources
  - Library Services
  - MCDOT
  - Public Health
  - Recorder/Elections
  - STAR Center
  - Superior Court

# Enterprise Portal Subcommittee

- Initial Objectives are to:
  - Identify all services not currently linked to the County portal.
  - Leverage e-government summary to identify business processes that could become web-based services.
  - Identify tools, resources and methodologies for developing multiple agency web applications.
  - Respond to EGC's priorities.
